CLAUSES AND EXTENSIONS

Subject otherwise to the terms, exclusions and conditions of this section and the General section (all of which shall remain valid and applicable unless specifically deleted or amended below), the cover under this section is

amended or extended as set out below under each extension and clause (but where applicable as indicated below, only if such extensions and clauses are stated as included in the schedule) subject to any insured amounts or first amounts payable stated in the schedule under each extension.

Accountants

Basis of settlement

The insurance under this section is limited to the loss sustained by the Insured in respect of outstanding debit balances directly due to the Damage and the amount payable shall not exceed

the difference between **the outstanding debit balances** and **the total of the amounts received or traced in respect thereof**

plus

the additional expenditure incurred in tracing and establishing customers' debit balances after the Damage provided that,

1. the maximum liability of the Company shall not exceed the insured amount irrespective of the amount contained in any declarations made as set out in point 3 of the Declaration clause;
2. if the insured amount under this item is less than the outstanding debit balances, the amount payable shall be proportionately reduced.

Declaration (if stated as being applicable by the word "Yes" next to "Declaration condition" in the schedule)

The Insured is to set the insured amount at a level so as to represent the maximum anticipated Outstanding debit balances at any one time during the period of insurance. The responsibility shall remain with the Insured during the period of insurance to notify the Company in writing should an increase in the insured amount be required due to Outstanding debit balances exceeding the insured amount. Declarations received as set out hereunder exceeding the insured amount shall not be considered a formal request to increase the insured amount.

The Insured shall at intervals as set out in the schedule against "declaration basis", provide the Company with a signed statement showing the total amount outstanding in customers' accounts as set out in the Insured's accounts at that point in time.

In consideration of the premium under this section being provisional in that a deposit premium is charged based on a percentage (as stated in the schedule against "deposit premium %") of the required premium, the premium will be adjusted as follows:

On the expiry of each period of insurance (or after twelve consecutive months from the inception or anniversary date if this policy is paid monthly by debit order), the actual premium for the past period shall be re-calculated based on the average amount of the declarations received and a premium adjustment made provided that:

1. such re-calculation shall be performed without the deposit premium percentage being applied to such average amount;
2. for the purposes of calculating the average amount, any amount declared that exceeds the insured amount shall be limited to the insured amount and premium shall not be payable on that part of any declaration that is in excess of the insured amount;
3. the Company shall in the event of a loss, irrespective of the value of any declarations received, not be liable for more than the insured amount as stated in the schedule;
4. if the actual premium is greater than the provisional premium, the Insured shall pay the difference to the Company and if it is less, the difference shall be repaid to the Insured, but such repayment shall not exceed 33,3% of the provisional premium paid.

Riot and strike (other than RSA and Namibia) (if stated as included in the schedule)

This section is extended to cover loss or Damage directly occasioned by or through or in consequence of:

3. civil commotion, labour disturbances, riot, strike or lockout;

If the Company alleges that, by reason of provisos 1, 2, 3, 4 or 5, loss or Damage is not covered by this extension, the burden of proving the contrary shall rest on the Insured.
