## MEMORANDA

- Transit shall be deemed to commence from the time of loading the property described in the schedule on the means of conveyance (including carrying to any conveyance), continue with transportation to the destination (including temporary storage not exceeding 120 hours in the course of the journey) and end when off-loaded and delivered at any building or place of storage at the intended destination premises.
- If any intended recipient shall refuse to accept the transported property, transit shall be deemed to continue and the insurance in respect of such property shall continue in force until the property is delivered back at the premises of the sender by any means of conveyance, provided that the Insured shall take all reasonable steps to ensure that the property is returned as soon as is reasonably possible.
- Where the means of conveyance is by specified vehicle, the insurance under this section shall apply to property on any vehicle temporarily used in place thereof while a specified vehicle is undergoing repair or servicing, which replacement vehicle is not the property of the Insured or leased or hired by them under a lease or suspensive sale agreement.
