For purposes of this 'General terms and conditions' section, the term 'you' includes any person acting on your behalf such as your broker, intermediary or agent.

13. Jurisdiction

This policy is subject to the jurisdiction of the courts of the Republic of South Africa. South African law will apply.

14. Sharing of insurance information and your authorisation to us

a) Sharing of information

i) To combat insurance fraud and to determine and properly evaluate risks, the South African Insurance Association (SAIA) has created a shared database for storing insurance information of policyholders. We will store your information in the shared database to verify any underwriting information against legally recognised sources or databases.

ii) The sharing of information for underwriting and claims purposes is in the public interest and enables insurers to underwrite and assess risks fairly.

iii) Fighting insurance fraud will benefit you, because fraud has an enormous effect on the short-term insurance industry. It affects the evaluation and determination of risks by insurers, and it affects you directly as it leads to higher premiums. We are serious about combating fraud and the fair evaluation of risks, because we want to keep your premium as fair and competitive as possible.

b) You therefore authorise:

i) to share any underwriting and claims information for any insurance policy or claim made by you or on your behalf as we regard necessary;

ii) to store this information in a shared database and use it in the public interest;

iii) to give this information to any insurer or its agent; and

iv) to verify and share any underwriting information with legally recognised sources or databases.

c) Your right to privacy

Your right to privacy is a fundamental right that is guaranteed by the Constitution of the Republic of South Africa, 1996. This right is, however, restricted in certain circumstances. These circumstances include cases where the parties disclosing information and the parties who are privy to it have a legal interest in that information. In terms of South African law, we may disclose and/or receive information if we intend using it to prevent fraud and to underwrite risks fairly.

15. A person who deals on your behalf

You give up your right to receive compensation if a person who deals on your behalf does not comply with the terms and conditions of the 'General terms and conditions' section for the event or claim.

If you are receiving a discount for precautionary measures taken on any section of the policy and these measures are not in place, maintained and/or operational at the time of the loss or damage for which a claim is submitted, we may reject your claim.

b) A warranty is a statement or a condition that is an essential element of the contract which determined the validity of the contract. It must be strictly observed and complied with.

c) If you state as fact that you have not submitted any claims in a specified period, we use this information as a basis of our agreement when insuring your items. If your statement is false then it is a breach of the warranty and we have the right to cancel your policy from the start.

d) If we require security measures to your vehicle the measures become a condition for theft cover in the applicable section of the policy.

e) If we allow a premium discount for security measures on any section of the policy it becomes a condition for cover in that section.

f) If you fail to comply with the Warranties or if you provide incorrect facts, it may result in a claim being rejected or the policy being cancelled from that date or such later date as we may determine.

18. Non-compliance

No claim under this policy shall be payable unless all terms, conditions, notes and Warranties have been complied with.

19. Interest on damages

For the purpose of this policy, the rate at which interest will be calculated subject to the Prescribed Rate of Interest Act, 1975, will be 0% (zero percent), unless a court of law orders otherwise.

20. Contractual liability

We also provide cover for a reward of up to the amount shown in the schedule to any person or organisation (excluding you and the police) for information leading to the arrest and conviction of any person who committed a criminal act, which resulted in loss or damage which is the subject of an insured claim. The most we will pay for any event under all parts of this policy as a whole is the amount shown in the schedule.

TERMS AND CONDITIONS

Additional General Provisions, Conditions and Procedures for Claims and Accidents (only applicable to this section of the policy).

1. Insured amount, basis of indemnity and limit of compensation

The insured amount for the property insured, as shown in your schedule, must throughout the period of this policy represent the current replacement value of similar new property.

Payments under extended basic cover and convenience benefits are additional to the insured amount for basic cover.

The basis of indemnity for the loss of or damage to the insured property, or part of it, will be the current replacement value of similar new property, limited to the insured amount as shown in your schedule.

For a single claim or series of claims arising from a single event, we give compensation either:

- a) limited to the insured amount shown in your schedule; or
- b) limited to the amount shown under basic cover.

Unless stated otherwise in the wording of the relevant cover, limits of those covers not included in the definition of 'Insured event', are additional to the insured amount of your buildings.

2. Inflation protection

The insured amount for the property insured under this section of your policy will increase annually but added monthly in equal portions within the renewal period to cater for the effect of inflation, according to the percentage that we apply at the renewal date.

The percentage we use to make the adjustment is shown in your schedule. However, your schedule will not reflect the monthly increase.

No extra premium will be charged during the period of the policy, but the premium will be recalculated each year on the renewal date as shown in your schedule.

3. Alterations or additions to your private residential structures

- a) If you inform us within 60 (sixty) days from the start of alterations and additions to the private residential structures, we will increase the insured amount by the value of the alterations and additions.
- b) The cover extends to building materials, fixtures and fittings while structural building work (including alterations or additions) is done at the insured property, as long as:
 - i) no other insurance covers the loss or damage;
 - ii) you are legally responsible for the materials, fixtures and fittings for which you require cover;
 - iii) cover for storm, wind, hail, snow or flood events, is excluded;
 - iv) cover will apply only if such property is designed to withstand open-air elements;

 - vi) protection of the insured property by anything other than a conventional roof is not covered.

4. Average

If, according to our calculations, the amount needed to replace all your private residential structures with similar new structures at the time of any loss or damage, is more than the insured amount, we will not pay you the full amount of the loss or damage. You will be your own insurer for the difference between the insured amount and the amount needed to replace all the private residential structures. Therefore, you will be responsible for a proportional share of the loss or damage.

Let us assume you are insured for R1,000,000 (one million Rand), but the replacement value of your property is R2,000,000 (two million Rand).

This means you are only insured for half of the replacement value. You must cover the other half. For example, if you suffer damage to the value of R200,000 (two hundred thousand rand), we will only pay half of this amount, which is R100,000 (one hundred thousand Rand), which will be calculated as follows:

Insured for	R1,000,000	
Replacement value	R2,000,000	
Claim	R200,000	
Calculation: Underinsurance	R200,000	R1,000,000
	_____ x _____	
	1	R2,000,000

We will only pay you R100,000 (one hundred thousand Rand).

This condition applies separately to each item in your schedule.

5. Interests of others

If the interest of any bank or any other financial institution has been noted in your schedule as having an interest in the insured property you agree that we may pay that financial institution to the extent of their interest in the insured property, namely the amount which is owing to the bank or the financial institution or the amount shown in your schedule for Buildings, whichever is the lesser.

If you act or omit to act in a way that may make this policy invalid, the interest of the bank or financial institution will not be affected if the following conditions are met:

- a) the bank or financial institution did not know that you acted or omitted to act in a way that may have made this insurance invalid;
- b) the bank or financial institution tells us about the act or omission as soon as they become aware of it; and
- c) you pay any extra premium you owe.

6. Own service provider

We have the right to require that a service provider of our choice do any work required on the insured property. If you ask to use a service provider of your choice, we will not be responsible for any amount

TERMS AND CONDITIONS

Additional General Provisions, Conditions and Procedures for Claims and Accidents (only applicable to this section of the policy).

1. Insured amount, basis of indemnity and limit of compensation

The insured amount for the property insured, as shown in your schedule, must throughout the period of this policy represent the current replacement value of similar new property.

Payments under extended basic cover and convenience benefits are additional to the insured amount for basic cover.

The basis of indemnity for the loss of or damage to the insured property, or part of it, will be the current replacement value of similar new property, limited to the insured amount as shown in your schedule.

For a single claim or series of claims arising from a single event, we give compensation either:

- limited to the insured amount shown in your schedule; or
- limited to the amount shown under basic cover.

2. Inflation protection

The insured amount for the property insured under basic cover will increase each month to cater for the effect of inflation, according to the percentage that we apply at the renewal date. However, your schedule will not reflect this monthly increase. No extra premium will be charged during the period of the policy, but the premium will be recalculated each year on the renewal date as shown in your schedule.

3. Average

If, according to our calculations, the amount needed to replace all your private residential structures with similar new structures at the time of any loss or damage, is more than the insured amount, we will not pay you the full amount of the loss or damage. You will be your own insurer for the difference between the insured amount and the amount needed to replace all the private residential structures. Therefore, you will be responsible for a proportional share of the loss or damage.

For example, if you are insured for R 1,000,000 (one million Rand), but the replacement value of your property is R2,000,000 (two million Rand).

This means you are only insured for half of the replacement value. You must cover the other half. For example, if you suffer damage to the value of R 200,000 (two hundred thousand rand), we will only pay half of this amount, which is R 100,000 (one hundred thousand Rand), which will be calculated as follows:

Insured for	R1,000,000		
Replacement value	R2,000,000		
Claim	R200,000		
Calculation: Underinsurance	R200,000		R1,000,000
	1	x	R2,000,000

We will only pay you R 100,000 (one hundred thousand Rand).

This condition applies separately to each item in your schedule.

4. Bush clearance warranty

It is a condition precedent to liability of ours that all combustible material and vegetation within an area of at least 40 (forty) metres in width in the immediate vicinity of the insured building, item or structure in your schedule shall be cleared and removed from the site. It is noted that this requirement does not apply to cultivated or manicured gardens, including trees forming part thereof.

You warrant that at all times and in all places you comply with the legal requirements for owning, using and safekeeping a firearm. You must keep any firearms that you are not using in a locked and hidden safe. The safe must be securely attached to the wall or floor.

6. Jewellery and watches to be kept in a safe

- You must keep jewellery and watches over a certain value in a safe. This is called the 'safe warranty limit'.
- If you are not wearing the jewellery or watch, you must keep it in a securely locked wall-or floor-mounted safe. We will not compensate you for loss or damage caused by theft or attempted theft for more than the 'safe warranty limit' as shown in your schedule if you do not lock the item in a safe while you are not wearing it.

All sliding doors leading outside must be fitted with an additional locking mechanism, and must be locked when your home is left unoccupied.

f) Unoccupied residence

You must tell us if you intend leaving your private residence or outbuildings unoccupied for more than 60 (sixty) consecutive days in any 12 (twelve) month period so that we can adjust your premium or change terms, conditions and exclusions. If you do not tell us, we will not compensate you for any loss or damage while the private residence and outbuildings are unoccupied. If a heading below is shown in your schedule, we will cover you as shown under that heading. If the heading is not shown, you do not have that optional cover.

Our compensation is limited to the amount shown in your schedule for each of the following for any single claim.

1. Credit shortfall

We will pay the difference between the value of the vessel or vehicle as defined and shown in your schedule and the outstanding settlement value in terms of a credit agreement that you entered into. We will pay this difference only if we accept a claim for the vehicle being either:

- a) in our opinion beyond economic repair following loss or damage; or
- b) stolen and not recovered within a reasonable period.

The credit agreement that you entered into must fall under the definition of Credit Agreement given in the National Credit Act, 2005.

We will pay any amount still outstanding on your credit agreement less:

- a) any arrear instalments or rentals, including interest payable on the arrears;
- b) all refunds of premium for cancellation of any insurance cover relating to the vehicle; and
- c) the increased instalments or rentals that would have been paid had there been no residual capital value at the end of the finance period, calculated to the month in which the claim is settled. This applies if you had arranged to pay lower instalments for an initial period and a higher instalment at a later stage. In this case, we will not compensate you for the remaining amount you owe. We will only compensate for what you still would have owed if you had arranged to pay back the loan in equal instalments over the term of the loan.

2. Extended countries (if applicable)

We also cover loss of or damage to your watercraft in the extended countries. The countries are shown in your schedule.

This cover is subject to the following conditions:

- a) if your watercraft is accidentally damaged and we have admitted liability for the damage, we will not authorise the repair of the damage before you have successfully returned your watercraft to the Republic of South Africa; and
- b) if it is uneconomical to repair your watercraft and you do not return your watercraft to the Republic of South Africa, you have to prove that your watercraft is uneconomical to repair in any method

acceptable to us, before we will accept your claim. We will determine the value of the wreckage at 20% (twenty percent) of your watercraft insured amount shown in your schedule. We will subtract this amount from the amount of any settlement to you.

3. Riot and strike (outside the Republic of South Africa and Namibia)

Subject otherwise to the terms, conditions, exclusions, exceptions and warranties contained therein, this section is extended to cover loss or damage directly occasioned by or through or in consequence of:

- a) civil commotion, labour disturbances, riot, strike or lockout; or

4. Outboard motors

We cover loss of or damage to outboard motors shown in your schedule.

5. Specified itemised all risks cover

a) Property insured means the property described in the specified schedule which, if it is accidentally lost or damaged, we may choose to pay for or repair or replace, up to the amount shown in the schedule.

However, if the cost of replacing the property insured as new is greater than the sum insured at the time of the loss or damage, you will be your own insurer for the difference and will bear a ratable proportion of the loss or damage.

TERMS AND CONDITIONS

Additional General Provisions, Conditions and Procedures for Claims and Accidents (only applicable to this section of the policy).

1. Unavailable parts

If a part that is needed to repair the watercraft after loss or damage is not available as a standard (ready-made) part in the Republic of South Africa, we will pay an amount equal to the value of the part at the time when the loss or damage occurred. The value of the part will be determined according to the price given in the most recent catalogue or price list applicable to the watercraft. The amount includes the reasonable cost to transport the part (other than by air).

2. Representation or defence

We are entitled to arrange representations or defences that are the subject of any compensation under this section, including:

- a) representation at any legal autopsy or inquest relating to any death; and
- b) the defence for any action, which is the cause of or related to any event.

3. Interest of a title holder

If a valid claim occurs and we are advised that your watercraft is the subject of a credit agreement as defined in the National Credit Act, 2005, you agree that we will pay the title holder shown in the agreement up to the outstanding amount only, limited to the insured amount for the watercraft as shown in your schedule.

If the outstanding amount is less than the insured amount for your watercraft as shown in your schedule, we will pay the difference to you.

4. Use

Your watercraft may be used for social, domestic and pleasure purposes only.

5. Basis of indemnity

- a) If your watercraft is less than 5 (five) years old, the basis for our compensation will be the cost to replace your watercraft or part of it with similar new property.
- b) If your watercraft is 5 (five) years or older, the basis for our compensation will be the cost to replace your watercraft or part of it up to its reasonable market value. This will be established by obtaining market-value quotations from two qualified watercraft dealers.
- c) For specified watercraft accessories, the basis for our compensation will be the cost to replace the accessories with similar new property.

6. Limit of compensation

If we decide it is not economical to repair your watercraft our compensation will be limited to the insured amount as shown in your schedule.

7. Average clause

If the watercraft is less than 5 (five) years old and, according to Our calculations, at the time of any loss or damage, the amount needed to replace the watercraft (other than the sails, protective covers, erected tackle, outboard motors, inboard motors and batteries), with a similar new watercraft is more than the insured amount, we will not pay you the full amount of the loss or damage. You will be considered to be your own insurer for the difference between the insured amount and the amount needed to replace the watercraft. Therefore, you will be responsible for a proportional share of the loss or damage.

If the watercraft is older than 5 (five) years and, according to our calculations, at the time of any loss or damage, the amount needed to replace the watercraft (other than the sails, protective covers, erected tackle, outboard motors, inboard motors and batteries), with a similar watercraft is more than the insured amount, We will not pay you the full amount of the loss or damage. You will be considered to be your own insurer for the difference between the insured amount and the amount needed to replace the watercraft with similar property. Therefore, you will be responsible for a proportional share of the loss or damage.

Assuming you are insured for R100,000 (one hundred thousand Rand), but the replacement value of your watercraft is R200,000 (two hundred thousand Rand). This means you are only insured for half of the replacement value. You must cover the other half. For example, if you suffer damage to the value of R50,000 (fifty thousand Rand), we will only pay half of this amount, namely R25,000 (twenty thousand Rand), which will be calculated as follows:

Insured for	R100,000
Replacement value	R200,000
Claim	R50,000
Calculation: Underinsurance	$\frac{R50,000}{R100,000} \times R200,000$
We will only pay you	R25,000

This condition applies separately to each item in your schedule.

8. Security Clause

Your trailer must be secured or kept secure to for us to cover theft of the trailer and/or the watercraft.
