THE BENEFITS OF INSURING WITH CIB

COVER THAT'S FIT FOR PURPOSE, NO MATTER WHAT THE BUSINESS

CIB's Engineering Division addresses each individual client's exposure through tailored solutions that are granularly defined and segmented, while a combination of standard and specialty products ensure maximum protection.

UNDERWRITING DONE RIGHT – FROM THE START

Our underwriters use experience and technology to ensure every risk is assessed and mitigated as thoroughly as possible. The information that we meticulously compile – and regularly update - helps us to better understand the business and manage risk up front to ensure that there are no nasty surprises at claim stage.

A CUSTOMER-CENTRICITY THAT HAS BECOME PART OF OUR BRAND

With many volume-driven insurers, clients are often reduced to just another number. CIB continues to value the individual. Emphasising responsible, quality engagement over quantity means more tailored solutions, more responsive services and more agile claims handling. Each department, from Broker Consultants, to Sales, to Underwriting, to Claims Handling makes it their business to know your world.

PERSONAL TOUCH AND PROACTIVE COMMUNICATION

Technology should be an enabler, not a replacement for old-fashioned hands-on interactions. We communicate with you every step of the way to ensure that you always deal one-on-one with someone who understands your business and your claim.

SOME OF THE BEST TECHNICAL SKILLS IN THE BUSINESS

Thousands of satisfied clients put their trust in CIB every year knowing they have the best cover possible. We reciprocate by ensuring that we attract and retain an unusually high standard of talent and put them to work on your behalf. We're committed to remaining on the cusp of global trends, so your cover remains current and relevant.

QUALITY BROKER NETWORK

Our Buildings Division provides expertise and support on buildings insurance needs and requirements. We nurture knowledge sharing, high levels of service and a culture that fosters transparent, ethical relationships throughout our channels.

APPROVED SERVICE PROVIDERS THAT GO BEYOND

We want every experience to be as positive as possible, whatever the circumstances. This involves partnering with service providers that share our values and ethics. We hold our suppliers up to the same scrutiny as we hold ourselves. We've even gone so far as to ensure integrated systems, processes and reporting with certain service providers just to make sure your entire experience is top class.
