#### FAIS

Mutual & Federal falls within the Financial Advisory and Intermediary Services Act 37 of 2002, both as a product supplier and as a financial services provider. All representatives in the operational areas who advise clients should therefore comply with the Act. Furthermore, the Act requires that key individuals be identified to manage and oversee the business of the financial services provider. Key individuals should therefore also comply with the "fit-and-proper" requirements of the legislation.

## Learning Unit 1: Background

#### Learning Outcomes

After completing Learning Unit 1, the learner should have:

- An overview of the PLCC offerings.
- Information about the Inbound Call Centre Services.
- Information about the Inbound Mail Centre Services.

## Introduction to the PLCC offerings

Our Personal Lines Contact Centre (PLCC) consists of an Inbound Call Centre as well as a Back Office that deals with mail requests. The Call Centre is available between 8am and 5pm from Monday to Friday, excluding public holidays. The Back Office service level agreement is to action mail requests within 8 business hours of receiving the request. Both the Call Centre and Back Office are supported by the Quality Assurance team to ensure that the quality of our service delivery is maintained at a high standard. Further support comes in the form of the in-house process improvement team which identifies pitfalls in the service provided and improves the process to reduce bad service delivery.

#### Introduction to the Alisure Policy

Allsure is one of the flagship Mutual & Federal insurance products. Insurance products are designed to ensure that, if an event occurs for which one is insured, that results in damage or loss, the insured party can be reimbursed according to the agreed terms. Allsure is an insurance product that specifically targets private individuals.

The provisions of the allsure product are defined in the allsure insurance policy wording. This is the basis on which all allsure insurance cover is detailed. The document comprises different sections addressing specific aspects of the Allsure cover. The first section contains the general terms, conditions and exclusions of the

| Identity Theft                                |
| Home Employer's Labour Dispute                |

It is important to note that South African law applies to the allsure policy and therefore, it is agreed that only the courts of the Republic of South Africa may deal with any dispute in respect of the policy.

The general terms, conditions and exclusions of the policy will be addressed.

## Learning Unit 2: Value Added Services

### Learning Outcomes

This information about the value added benefits will allow you to:

- Explain what the value added benefits are.
- Describe how Swiftcare functions.
- · Describe how SAMS works.

#### Introduction

As you already know, the allsure policy also comes with a range of value-added services and benefits which are automatically included in the policy.

There are various elements to the value-added services.

#### Swiftcare

# Swiftcare

South Africa 0860 24 7365

toxidate assistance

Our allsure product automatically includes Swiftcare
- a value added service where policyholders enjoy the following benefits:

Swiftcare is available to allsure policyholders, 24 hours a day, 7 days a week, and 365 days a year in South Africa. Policyholders travelling in neighbouring countries will have telephonic access to Swiftcare. As the Swiftcare benefits are service related and not insurance benefits, if the Swiftcare call centre is not contacted in the first instance for assistance any costs incurred will be for the policyholder's own account.

Mailed/Appetage

| allsure   |
|---|
|   |
| During the emergency circumstances, certain costs, which are noted under the benefits, are automatically paid for by Swiftcare.   |
| Any additional service requests and related costs, materials or labour are for the policyholder's own account.  |
| Compensation for these benefits will only apply if the policyholder calls   |
| the Swiftcare call centre in the first instance for assistance.   |
| Terms and conditions apply.   |
| We will now consider the details of each benefit in the Swiftcare Value Added Service.  |
| Enhanced Roadside Assistance  |
| This service now includes assistance at the policyholder's home, place of work  |
| or any other location not traditionally defined as roadside. The benefit includes the cost of the call out fee and first hour of labour up to a maximum of R500                     |
| and is limited to three incidents per insured vehicle per annum; however the number of incidents for emergency roadside assist at the side of the road still remains unlimited.     |
| Enhanced Home Assistance  |
|   |
| This service now includes both the call out fee and the first hour of labour for all emergency and non-emergency incidents. Non-emergency call outs are limited to three incidents. |
| <ul> <li>Medical Emergency Services and Hospital Admission Guarantee</li> </ul>   |
| In the event of a life threatening medical emergency - this service includes  |

ambulance transportation to the nearest appropriate hospital and to ensure no delay in treatment, the benefit also includes a guarantee of up to R5 000 towards the admission fee if required. This benefit is a cash benefit and does not apply to any in-hospital expenses. The admission fee is reclaimable by Swiftcare should the policyholder have pre-existing medical aid cover.
