14. MISREPRESENTATION, MISDESCRIPTION AND NON-DISCLOSURE

An item, section or sub-section of this policy or the entire policy, will be deemed voidable in the event of any misrepresentation, misdescription or non-disclosure of any material fact which could have influenced our decision to insure you or the terms to apply when we agreed to insure you.

Your failure to comply with any statutory, national legislation or local by-laws including but not limited to the National Building Regulations and Buildings Standards Act (No. 103 of 1977) as amended from time to time or any similar applicable legislation, may void this insurance policy in its entirety and no benefit will be payable.

You must ensure compliance with all statutory obligations, laws, bylaws, regulations, safety requirements and statutes and regulations thereto imposed for the safety of property or persons.

16. NO REFUND OF PREMIUM (Applicable to Section H – Motor only)

19. REINSTATEMENT OF SUM INSURED

In consideration of sums insured not being reduced where appropriate by the amount of any loss, the insured shall pay additional premium on the amount of the loss from the date thereof or from the date of reinstatement or replacement (whichever is the later) to expiry of the period of insurance.

20. INFLATIONARY ADJUSTMENT

The sums insured for buildings will be adjusted upwards annually to keep pace with inflation as far as reasonably possible. You are, however, still responsible for ensuring that the property is insured for the full replacement value.

21. RIGHTS TO OTHER PERSONS

Unless otherwise provided, nothing in this policy shall give any rights to any person other than you. Any extension providing indemnity to any person other than the insured shall not give any rights of claim to such person, the intention being that you shall claim on behalf of such person. The receipt of the insured shall in every case be a full discharge to the company. You may not cede your rights to anyone.

22. SECURITY FIRMS

If an employee of a security firm employed by the insured under a contract causes loss or damage, the company agrees, if in terms of the said contract the insured may not claim against the said security firm, not to exercise their rights of recourse against the said security firm.

We will not raise as a defence to any valid claim submitted under any section or subsection of this policy that our rights have been prejudiced by the terms of any contract entered into between the insured and any security provider relating to the protection of the insured property.

23. SCHEDULE SUM INSURED BLANK

If, in the schedule of this policy, the sum(s) insured, limit of indemnity or compensation is:

- i. left blank or has no monetary amount stipulated against it
- ii. reflected as nil or not applicable or not covered or no indemnity extended this will mean the defined event or circumstance shown in the schedule is not insured.

24. VALUE ADDED TAX – V.A.T

It is understood and agreed that the monetary amounts as reflected in the sums Insured and/or limits of indemnity shall be applied to the indemnity or amounts payable in terms of this Policy and to which sums the terms, conditions, provisions and limitations of this Policy shall apply; and value added tax at the current rate as promulgated in legislation relating thereto.

Subject to such sums/limits of indemnity being adequate to embrace the amounts described herein, the Company will, to the extent that the Insured is accountable to the tax authorities for value-added tax in respect of any payment in terms of this Policy, include the amount of such tax in the final settlement of any claim in terms of the Policy, provided that the total amount payable for any defined event and the value-added tax related thereto shall not exceed the sum insured/limit of indemnity set against such defined event.

In circumstances referred to herein under which the Insured is required to bear the first amount of any loss (excess), such amount shall also be inclusive of value-added tax in like manner to the sum insured/limit of indemnity referred to above.

Personal information includes information about your medical history, your credit history and your claims history.

By sharing information, the insurance industry aims to:

- a. Reduce claims based on fraud

Examples of legitimate sources are other insurers, financial institutions and crime bureau. You warrant that you have received consent from every person you represent that we may share their personal information. 1. Buildings (Including Common Property) & Contents (Not applicable to accidental damage to sanitary-ware)
2. Glass

If the property insured is, at the commencement of any damage to such property by any peril insured against, collectively of greater value than the sum insured thereon, then the Insured shall be considered as being their own insurer for the difference and shall bear a rateable share of the loss accordingly. Every item, if more than one, shall be separately subject to this Condition.

For example:

The cost to rebuild a unit amounts to R1,000,000. The property is insured for R500,000, which equates to 50% of the total replacement cost of your house. You incur storm damage to the total amount of R50,000. We will only pay R25,000 less your excess because you were underinsured by 50%.
